If you're planning for a quality education at a reasonable price, visit us at Saint Michael School. Established in 1889, and with a current enrollment of 300, Saint Michael School is dedicated to academic excellence, serving children from Prekindergarten (ages three and four) through eighth grade. Curriculum includes junior high accelerated math and science programs, literature-based reading, language arts and phonics, K-8 technology classes, 1:1 Chromebooks for all junior high students, guidance in Catholic faith, art, music, physical education, sports and after-school clubs, including LEGO Robotics, Programming. We also have a hot lunch program, offer before/after care and more!
