

Dear Saint Michael School Family,

As many of you know, Saint Michael School kicks off its annual Catholic Schools Week on the last Sunday of January with the celebration of Mass, followed immediately by an open house for prospective students and their families. This year, our open house will be held after the 11:15 a.m. Mass on Sunday, January 27, from 12:30 to 2:30 p.m., when we will begin the registration process for new students interested in attending Saint Michael School for the 2019 – 2020 school year.

This time of year is important in school enrollment because it's when parents start thinking AND planning for the next year of their children's education, whether it be for their pre-kindergartner, third grader or sixth grader. It's also an important time for Saint Michael School because it's also when we begin planning and preparing for next school year.

We've been working diligently on plans to publicize and invite the public to our open house, but we know that nothing compares to the power that comes with word of mouth advertising. Throughout the years, student enrollment at Saint Michael School has greatly benefitted by the referrals and positive recommendations of our teachers, priests, staff and alumni. For that we are truly grateful.

To assist us in hosting a successful open house, we are asking for your help once again. An invitational flyer is attached, with the hope that you will share it with a family that is looking for, or open to, the opportunity for their children to attend an excellent Catholic school that has been offering a wonderful education in the Centerville neighborhood of Lowell for more than 128 years. If the family brings the invitational flyer to the open house on the 27th, please ensure that it has your name on it. Two separate random drawings will be held: one for a referring Saint Michael School family and another for a potential (visiting) Saint Michael School family. Each winner will receive a \$25 gift card which have been supplied by anonymous donors.

Thank you for always supporting Saint Michael School. Please contact the school directly if you need additional information.

Sincerely,

Mary E. Elias, Principal

Pauline A. Minch, Development Director
